

THE WHEELER SCHOOL

Why we give

The Campaign for Wheeler and Annual Report of Giving 2007-2008
Constituent Giving Lists

“Wheeler mattered in my life — and probably yours as well! Those who came before us did what they could to create this school. Now it’s our turn to do what we can to make sure our school thrives as an energized place of learning, doing and being.”

Allinson (back row with glasses) and some of her classmates at Reunion 2008.

We recognize with gratitude the following alumnae and alumni who, through their generous giving during the 2007-2008 fiscal year, have done so much to strengthen Wheeler. Their gifts are a tangible expression of Wheeler's motto "The Spirit Giveth Life."

Alumna and former Alumni Secretary Anne Carter Grosvenor '41 has joined Wheeler's Heritage Society, providing for Wheeler's future through her estate plans, illustrating what many in the list below find an effective example of personal philanthropy.

* Realized estate/Deceased

Our Way of Saying Thank You!

***Individuals who make planned gifts to support
The Wheeler School are given membership in
The Heritage Society.***

***The Heritage Society recognizes donors who make one of the deepest,
most personal commitments to The Wheeler School through planned
giving. When you include Wheeler in your estate plans, it means
including The Wheeler School among those people and places you
value most. Bequests, charitable trusts, naming Wheeler as beneficiary
of an IRA, and charitable gift annuities are among the many gift
vehicles that qualify as planned gifts.***

***For information contact Molly Garrison at 401.528.2180
or visit www.wheelerschool.org/HeritageSociety***

“Excellence is a characteristic that few institutions are fully committed and prepared to pursue in an honest and forthright fashion. . . At Wheeler excellence is at the core of so much of what happens . . . I found Wheeler provided both (my children) a critically keen intellectual awakening to their conscious presence in this world. A better future comes from individual responsibility born of awareness, critical thinking and connection with a universal community.”
